### 2012 Legislative Update

We are tracking the following bills that may have significant impact on the sentencing guidelines:

#### SB 368:

This bill modifies the SB 123 nonprison sanction program and expands the probation and border boxes of the drug grid.

#### Sub. for HB 2318:

This bill would make several changes to the statutes governing controlled substances, including the adoption of a drug sentencing grid with five levels. The grid would add a new severity level 2 with penalties falling between the current first and second levels of the drug grid.

**2003 Senate Bill 123**  
**K.S.A. 2011 Supp. 21-6824**  
**(formerly K.S.A. 21-4729)**

Provides for community supervision (in lieu of incarceration) and mandatory substance abuse treatment for a defined target population on non-violent adult drug offenders who have been convicted of a drug offense under K.S.A. 2011 Supp 21-5706. (formerly K.S.A. 21-36a06)

**GOAL:** To provide community intervention and the opportunity for treatment to certain offenders with substance abuse problems in order to address more effectively the revolving door of drug addicts through the state prisons, which should be reserved for serious, violent offenders.

## 2012 Prison Population Projection Report

In an attempt to formulate the most accurate assumptions, the Sentencing Commission utilizes a Prison Population Consensus Group to review and establish the final set of assumptions that are utilized in building the simulation model. Members of the Consensus Group represent various criminal justice agencies which play a role in processing an individual through the criminal justice system. Members contribute their agencies' expertise regarding formal and informal procedures and provide relevant information and data on specific issues or practices which may affect prison population. Thank you for your contribution.

## Journal Entry of Judgment (JE) and PSI News

It is important for us to keep you informed and provide you with forms containing the most current changes.

The JE and PSI have been provided with many separate documents all together for years. We have separated the JE and the PSI forms to provide individualized documents for times when no extra forms are needed (example: Special Rules page, Addition Offenses, Offender Registrations, etc.)

Separating these documents will also provide options when extra forms are all you need.
