

# Putting it all together

**SB123 Overview and Implementation**

# SB123 Approvals & Treatment Integration

- Must Be:
  - Approved provider for selected treatment modalities.
  - Licensed with BSRB & KDADS
- Utilize Substance Use Disorder Evidenced Based Curriculumms.
- Collaboration with:
  - Sentencing Commission
  - Kansas Department of Corrections
  - Community Corrections
  - Beacon Health
  - SB123 client's personal insurance company if applicable

# SB123 Approvals & Treatment Integration

- All clinical staff must submit:
  - BSRB Wall Certificate
  - BSRB recent renewals
  - KDOC training
  - SASSI training certificates (SASSI IV)
  - After initial submission, forward future additional KDOC training documents and BSRB renewals.

# Treatment Curriculum Integration

- One day between teaching Social Skills or Problem Solving Skills.
- Teach only one social skill or problem solving step per group session.
- Copies of practice work goes in client files.
- Include Social Skill, Problem Solving Skills, Behavior Chains or Thinking Reports into participants treatment plan.
- Update treatment plans to include advanced social skills.
- Include relapse prevention components into all participants treatment plans.

# Treatment Curriculum Integration

- Integrate other evidenced based curriculums into CBIT, Thinking Reports or SAP (UC curriculum) if desired depending upon the timeframe of the treatment group and agency guidelines.
- Documentation for client file.
- Thinking Report education and check-in's.
- Social Skill teaching and client's response (ensure role play participation).
- Problem Solving Skills teaching and client's response and group participation.

# SB123 Provider Expectations

## Must Do's:

- Request services with Beacon Health for all modalities.
- New providers must complete the transition paperwork with Beacon Health.

(Beth Bernasek re: questions (785.338.9018) [SB123@BeaconHealthOptions.com](mailto:SB123@BeaconHealthOptions.com))

- Modality changes utilizing clinical documentation to include brief treatment plan expectations and updates or changes.
- SB123 Forms- New since October 2018 will be on the Sentencing Commission's website.

# SB123 Provider Expectations

**Senate Bill 123 Operations Manual**

**[www.sentencing.ks.gov](http://www.sentencing.ks.gov)**

- Print and review for helpful information.
- Review outline of SB123 Provider expectations.

# SB123 Provider Expectations

## KDADS Standards:

[www.kdads.ks.gov/commissions/survey-certification-and-credentialing-commission](http://www.kdads.ks.gov/commissions/survey-certification-and-credentialing-commission) *(behavioral Health Licensing)*  
*(Standards Manual)*

- Review Standards
- Pay close attention to Section #6 as it relates to working with the SB123 client population.

# SB123 Provider Expectations

- Assessments
  - Referrals, post assessment provided electronically (email or fax) to the following:
  - Copy of the Release of Information(ROI) to the treatment provider if you are making a referral to another agency.
  - Pre-sentence assessments.
  - Send ALL assessment forms and paperwork to any referring treatment agency.

# SB123 Provider Expectations

- Incomplete assessments received
  - It is your responsibility to put the additional information into the client's file.
  - Talk to your SB123 Program Manager for suggestions re: ways to accomplish this without “redoing” the assessment.

# SB123 Provider Expectations

- Changing Locations Contact
  - KDOC (complete change form)
  - Beacon Health
  - Sentencing Commission
- Staff or agency modality changes
  - Complete and email the change form to the SB123 Program Manager

# Maintaining Certification

- Remain in compliance with KDADS licensing standards and retain a current KDADS license.
- Adhere to the Implementation Plan/Addendum that received KDOC approval with regard to programming
- Notify KDOC of any proposed changes or modifications to the Implementation Plan
- Submit a Plan/Addendum for KDOC approval prior to implementing such changes or modifications
- Cooperate in KDOC Site Visits
